

SELECT-Orvilliers *select-orvilliers.fr*

1st Organic wheat breeding program in France

100% organic from farm to fork

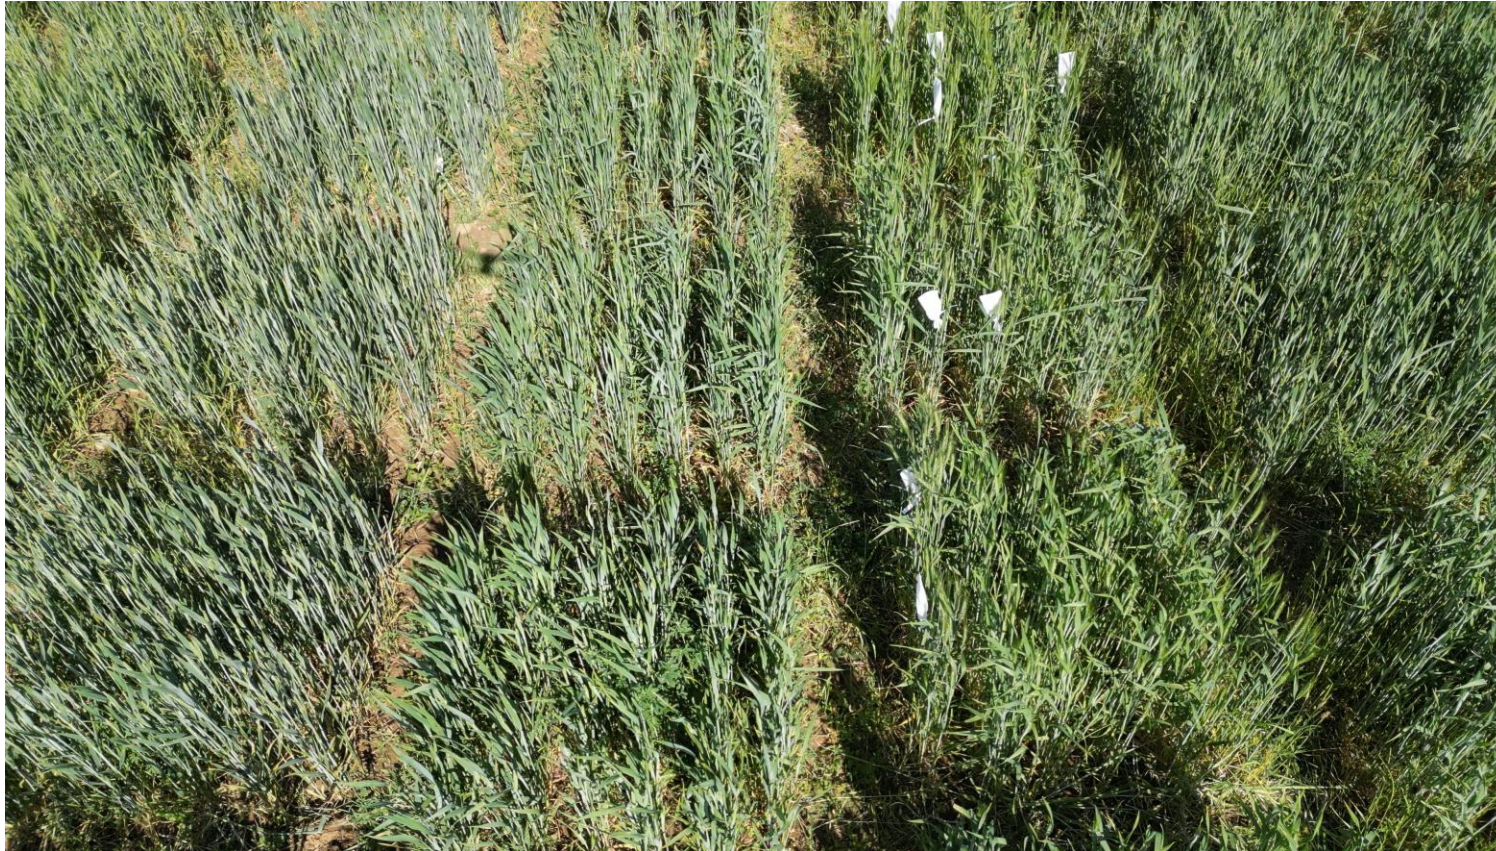

- ✓ An Organic young farmer project
- ✓ Organic, quality but also stability in yield
- ✓ Adapting to climate evolution and diseases
- ✓ Co-breeding and suitable for regenerative farming

SELECT-Orvilliers

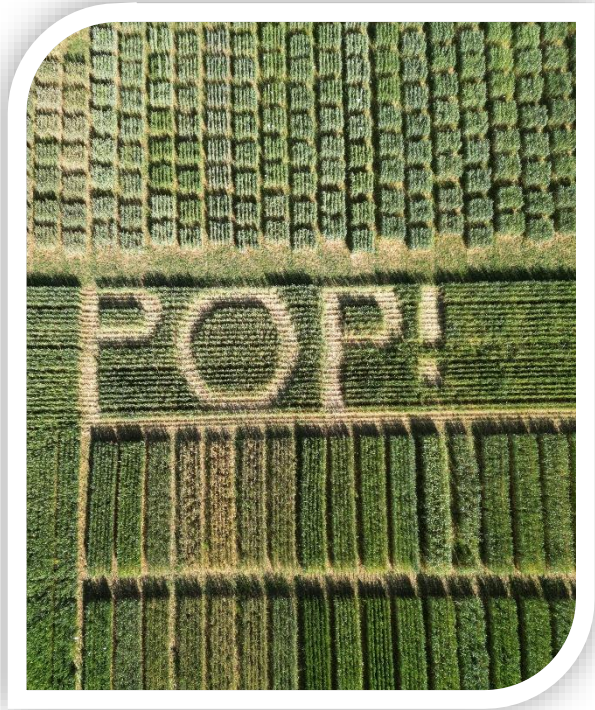

1st Organic wheat breeding program in France

SELECT-Orvilliers *select-orvilliers.fr*

1st Organic wheat breeding program in France

Innovation toward future

- ✓ 1st wheat OHM POP-Orvilliers notified in France
- ✓ Adapted to natural sourdough baking with high water content (80% vs 60%)

Economical challenge

- ✓ Difficulty to find fundings for R&D
- ✓ Establish an economic model without fundings ?

Thanks for your attention
